### The Bartech Group Wins the 2006 Eaton Premier Supplier Award

Bingham Farms, MI - On March 28, 2007, Bartech Group was honored as one of 50 premier suppliers at Eaton Corporation's Second Annual Supplier Excellence Awards Program in Cleveland, Ohio. This marks the second consecutive year that Bartech Group has received this prestigious award.

Rick Jacobs, Vice President of Supply Chain Management at Eaton said, "We have thousands of suppliers around the world that we evaluate on quality, productivity, innovation and technology. The companies we are honoring with these awards excel in these critical categories. They are the very best in our global supply base and make a real contribution to the continuing success of our business."

"We are very proud of achieving this award for the second year in a row. Bartech Group provides 1,500 contingent workers to Eaton at 163 locations throughout the United States. We are honored to celebrate our relationship with Eaton and look forward to many more years of delivering superior and innovative staffing solutions to Eaton," said Bartech Group's Chairman and CEO, Jon E. Barfield.

Celebrating our 30th anniversary this year, Bartech Group is among the largest independent human capital staffing and services firms in the United States. Operating under three divisions including Bartech Technical Staffing, Bartech Workforce Management and Bartech Managed Solutions, we specialize in engineering, information technology and professional staffing services, as well as process outsourcing and vendor management solutions. Bartech Group continuously strives to deliver better services to our customers every day. Over the past 30 years, we have realized consistent growth in revenue, a record matched by few. Bartech posted approximately \$200 million in sales in 2006 and we are projecting a significant increase in 2007. We have 16 offices throughout Michigan, Indiana, Ohio, Wisconsin, Florida, New York and Toronto, Canada. Headquartered in Michigan, Bartech employs over 3,100 employees in over 30 states. For more information on Bartech Group please visit [www.BartechGroup.com](http://www.BartechGroup.com).

Founded in 1911, Eaton is a diversified industrial manufacturer with 2006 sales of \$12.4 billion. Eaton is a global leader in electrical systems and components for power quality, distribution and control; fluid power systems and services for industrial, mobile and aircraft equipment; intelligent truck drivetrain systems for safety and fuel economy; and automotive engine air management systems, powertrain solutions and specialty controls for performance, fuel economy and safety. Eaton has 60,000 employees and sells products to customers in more than 125 countries. For more information on Eaton Corporation, please visit them at [www.Eaton.com](http://www.Eaton.com).
